Re: Indian School Road, Grand Avenue Bottleneck Project, ST89310065

Dear Mr. Delaney,

Attached please find a copy of the procedural order from the Arizona Corporation Commission on the above referenced project for your files.

I sent in a request for their approval on the design/construction of the 8 foot widening for the Southern northbound lane of 35th Avenue. We were told to send you a copy of the procedural order within 5 days of receipt. A new hearing is scheduled for June 12, 2000.

Thank you also for sending your specs/details to me for use in design. We are working towards 30 % plans submittal by June 12. I will send immediately to you for your review and e-mail or ship the design files to you for your design. Please send any permit applications, fees necessary or other items we need to address for your design to continue. Thank you again.

Sincerely,

Laura Fritschi
